

2008 CSU, SSRIC STUDENT RESEARCH CONFERENCE
CSU LONG BEACH

PARKING

Faculty and students who are attending the SSRIC Student Research Conference on Friday, May 2, 2008 can pick-up a complimentary parking permit at the CSULB Visitor Information Center. You can reach the Center by entering the campus from Bellflower Boulevard. The Visitor Information Center telephone is (562) 985-8442.

You will definitely be able to park in Parking Structure #1 and the general lots. When you arrive at the Visitor Information Center, ask for a temporary permit to unload items in Lots #3 or #4 - especially if you have things to carry.

Very useful links are listed below.
